

Overview:

The two-day instructor led course focuses on wireless technology, difference between Meru and competitors and provides an in depth knowledge of the Meru products. Upon completion of this training course, delegates will be able to assemble, connect, configure various features and perform adds, moves and changes to these devices.

Target Audience:

This training event is primarily of benefit to engineering staff of Meru resellers wishing to learn about wireless technology, install and troubleshoot Meru networks. It provides detailed knowledge of operational tasks, VoIP, QOS and trouble shooting skills that are required to successfully install Meru Networks. The course will also be of benefit to individuals who are responsible for day-today administration.

Objectives:

- To be self sufficient in planning, building, configuring and maintaining a Meru Network.

Course Content:

Wireless Overview

- How does Wireless Work
- Wireless Authentication

What's Different in a Meru Network

- Advantages of the Meru Network
- Density in a Meru Network

Administrator Operational Tasks

- Web Interface
- Upgrading the System
- Security Profiles
- Rogue Detection

Voice over IP (VoIP and Quality of Service)

- Introduction to VoIP
- SIP Overview
- Voice Service Module
- Quality of Service

Installation Pre-Planning

- Site Surveys
- Density Considerations
- Design WLAN and Integrate

Basic Installation

- MAC Filtering
- VLAN's
- Configuring AP's

Advanced Installations

- 802.1x RADIUS
- Captive Portal

Troubleshooting

- Capturing Packets
- Diagnostic Tools
- Deployment Issues

Superlab

- Lab Exercises

Course Prerequisites:

No formal prerequisites exist for the Meru Training course. However delegates should have a working knowledge of computer software, Terminal emulation, and the ability to understand concepts of networks and computer operation.

ALL DELEGATES WILL NEED TO BRING THEIR OWN LAPTOP FOR THE COURSE.

Testing and Certification:

Recommended as preparation for exam(s)

- None at Present

**£400
Per Delegate**

Terms & Conditions

1. Cancellation and Transfer

The Purchaser agrees to pay the following charges to Siracom Ltd in the Event that for whatever reason a Delegate fails to attend, withdraws or transfers from a course without providing at least twenty (20) working days' written notice prior to the schedule start of the course. In this respect, a cancellation fee refers to a specific course date and therefore a transfer to a later course counts as a cancellation.

Written Notice of Cancellation or Transfer

11-20 working days: 50% of course fee

0-10 working days: 100% of course fee

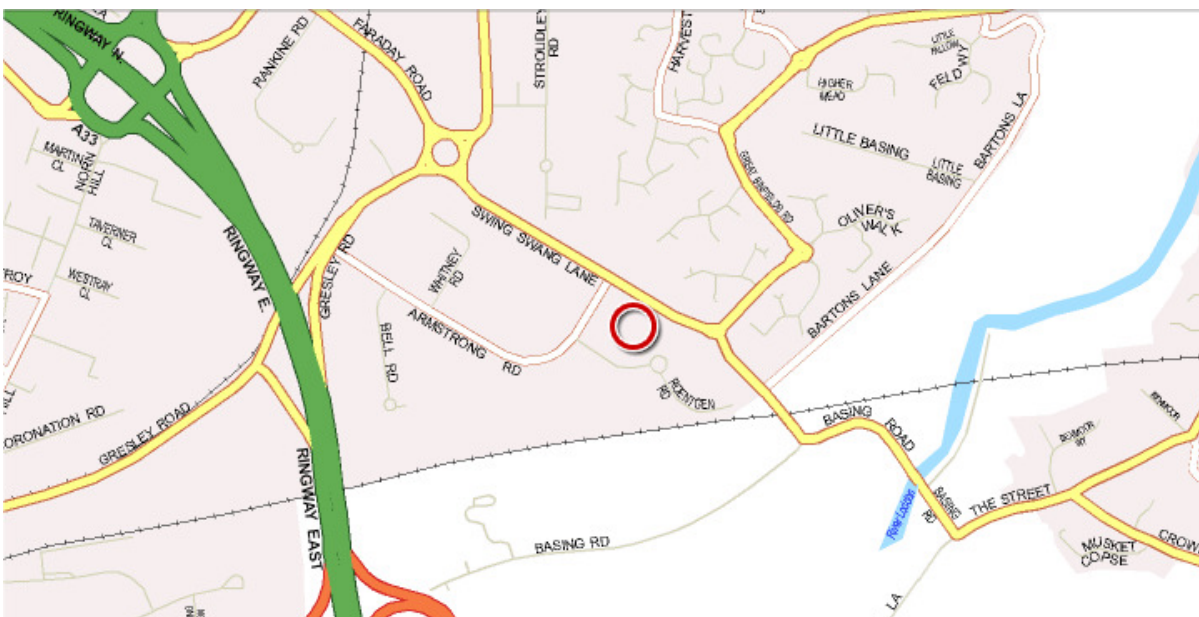

2. Payment Terms

Unless otherwise stipulated by Siracom Ltd, fees for all scheduled courses are payable by the Purchaser twenty (20) working days prior to course commencement, or at time of order where this is less than twenty (20) working days before course commencement. If we do not receive payment we reserve the right to cancel the course booking.
